

KIMSA

Reserva Wines

D.O. Maule Valley

CHILE

KIMSA in Quechua means 3, number historically associated to perfection, some hidden secret surrounds this number. Looking for balance, we use this emblem for our wine blends that present an oenological innovation.

Reserva Wines

Maule Valley

Kimisa, located in the Maule Valley, presents an enological project that assembles 3 different grapes per wine, to present innovative and striking wines at the reserve tier.

The temperate Mediterranean climate has a 4 to 5 month dry season with cold, moderately rainy winters and approximately 600 mm of precipitation annually.

Address : **Camino a Palmira Km 3,7 s/n Talca City.**

KIMSA

OUR WINEMAKER

Felipe Ortiz

Agronomist Enologist Engineer, scholar of the prestigious association of agronomist engineers of Chile (ANIAE).

Felipe has developed his career in France, USA, Australia and Chile, he maintains that the Maule Valley has a variety of characteristics that ensure:

White wines with very fresh and mineral traces, in particular our Sauvignon Blanc. Red wines with short maturity cycles showing a very good balance between alcohol and acidity, like Merlot and Cabernet Sauvignon.

And above all, a nice and silky Carmenere, a tricky and demanding variety which is hard to mature properly in other valleys.

FELIPE ORTIZ
